

## SENATOR SUSAN COLLINS

December 6, 2013

Mr. Chris Jones  
Campaign Finance Analyst  
Reports Analysis Division  
Federal Election Commission  
Washington, DC 20463

Dear Mr. Jones:

Thank you for your letter dated November 4, 2013 and our subsequent phone call. This letter and the attached amended report will serve as the response to your inquiries for additional information.

- 1) Schedule A does disclose several contributions that appear to be over the limit for the primary election cycle. The individual donations that were in excess of the primary limit have been refunded this quarter (4Q13), and will be reported this quarter. The PAC donations that were in excess for the primary limit were, in fact, designated for the general election and were incorrectly input into our system. I have made the corrections to our system and have corrected the donations on the attached schedule.
- 2) I have attached schedule B line 17 pages with clarifications for several expense descriptions.
- 3) The payments to credit card companies in schedule B line 17 did not meet the itemization threshold and are noted in the attachments.
- 4) I have itemized the Travel expenses in excess of \$500 in the amended schedule B.

These adjustments will not have any impact or require any changes to the figures on our Summary Page or Detailed Summary pages. They are also attached and remain unchanged.

Thank you for your attention and helpfulness with this matter. Please do not hesitate to contact me with any other questions you or the commission may have.
